

NEW

**Chrome Plated
Powerful Motor**

- 1200mm sweep
- Sophisticated design, truly a style statement.
- State of the art jewelry makes it a stunner.
- Aluminum body & blades.
- Excellent & long lasting paints.
- Precisely balanced body to ensure wobble-free operation.

NEW

Wider Body

- 600/ 900/ 1200/ 1400 mm sweep.
- Elegant double color decorative fan to complement the decor of the room.
- Decorative trims on the motor cover, canopy & blades.
- Optimum performance even at low voltages.
- Wider aluminum blades.
- Metallic paint finish.

NEW

Chrome Plated

ZEST

- 1200 mm sweep
- Aero dynamic design of blades with wider tip for maximum air delivery.
- Unique & elegant blade trims and motor ring.
- Motor with extra copper & superior grade electric steel laminations for energy efficiency.
- Automated winding for consistent quality.

NEW

Wider Body

EURO II

- 1200 mm sweep.
- Elegant double color decorative fan to complement the decor of the room.
- Unique, Elegant blade trims & canopy.
- Optimum performance even at low voltages.
- Wider aluminum blades.
- Metallic paint finish.

ORION

- 1200 mm sweep.
- Designed to showcase the finest taste in style, Orion's rich & elegant look truly makes it the glamour quotient of every room.
- Excellent & long lasting metallic finish.
- Optimum performance even at low voltage.
- Double ball bearing.

Powerful Motor

JET AIR DX

- 1200 mm sweep.
- An elegant fan with golden ring on the motor & trims on the blades.
- Aluminum body & blades.
- Excellent & long lasting paint.
- High air delivery even at low voltage.
- Specially designed wide tip aluminum blades for maximum air delivery.

EURO WOOD

- 1200 mm sweep.
- A tastefully finished fan with golden decorative ring on the motor cover.
- Special wood texture.
- Superior grade electric steel laminations for longer life and low power consumption.
- Double ball bearing for longer life.

Powerful Motor

JET AIR

- 1200 mm sweep
- A tastefully finished fan with golden decorative ring on the motor cover.
- High air delivery even at low voltage.
- Specially designed wider tip aluminum blades for maximum air delivery.

NEW

APOLLO

- 900/ 1200/1400 mm sweep.
- A decorative fan with a ring on the motor & golden trims on the blades & canopy.
- Precisely balanced body to ensure wobble-free operation.
- Aluminum body & blades.
- Excellent & long lasting paints.

ES 48

- 1200 mm sweep
- Elegant & sophisticated with BEE 5 star certification.
- Motor with extra copper & superior grade electric steel laminations for energy efficiency.
- Wider aluminum blade & body.
- Light in weight & corrosion resistant.
- 35% energy saver.

ES 48 DECO

- 1200 mm sweep
- Elegant & sophisticated with attractive gold ring on motor & Golden trims on the blades and canopy.
- BEE 5 star certification.
- Motor with extra copper & superior grade electric steel lamination for energy efficiency.
- Wider aluminum blades & body.
- Light in weight & corrosion resistant.
- 35% energy saver.

NEW

SEAIRA DX

- 1200 mm sweep
- A sleek fan that ensures high speed even at low voltage.
- Low power consumption.
- Excellent long lasting paint finish.
- Aerodynamically balanced aluminum blades.
- Decorative molding design on blades and motor.

SEAIRA

- 600/ 900/ 1200/ 1400 mm sweep.
- A sleek fan that ensures high speed even at low voltage.
- Low power consumption.
- Excellent long lasting paint finish.
- Aerodynamically balanced aluminum blades.

SUNNY

- 1200 mm sweep.
- Economically priced fan.
- Specially designed blades with ribs to ensure extra-wide air circulation.
- Precisely balanced body for wobble-free operation.
- Excellent long lasting paint finish.

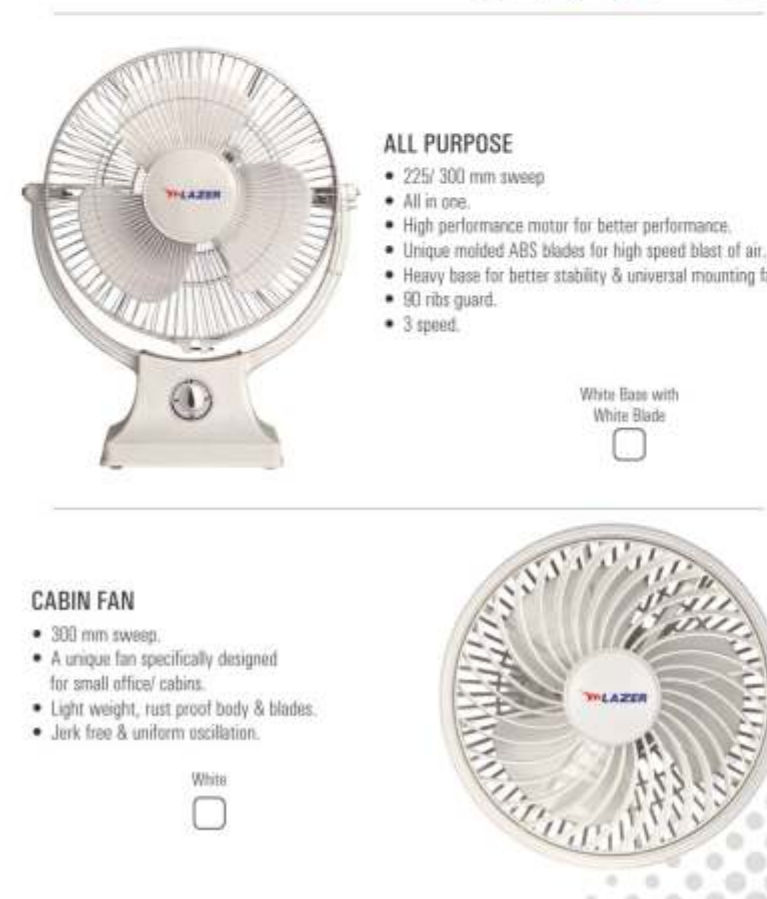

High Speed 310 RPM

NEW

SPRING AIR

- 900/ 1200/ 1400 mm sweep
- Aerodynamically designed fan for high speed & maximum air delivery.
- Aluminum body & blades.
- Excellent & long lasting paints.
- Precisely balanced body to ensure wobble-free operation.

ALL PURPOSE

- 225/ 300 mm sweep
- All in one.
- High performance motor for better performance.
- Unique molded ABS blades for high speed blast of air.
- Heavy base for better stability & universal mounting facility.
- 90 ribs guard.
- 3 speed.

White Base with White Blade

CABIN FAN

- 300 mm sweep.
- A unique fan specifically designed for small office/ cabins.
- Light weight, rust proof body & blades.
- Jerk free & uniform oscillation.

White

DELTA HIGH SPEED TABLE FAN

- 400 mm sweep.
- Extra powerful motor for higher air delivery specially designed for Indian conditions.
- Unmatched quality.
- Plastic body for light weight, extra durability.
- Scientifically designed single piece plastic blade.
- Can withstand a range of voltages.
- Smart push-button controls for ease of operation.

FARRATA FAN

- 500 mm sweep.
- A powerful fan with air thrust and high air delivery.
- Sturdy metal body with metal blades for stability and durability.
- Can withstand a range of voltages.
- Smart rotary controls for ease of operations.
- Ideal for use in garden, restaurant and conference room.

Black

DELTA HIGH SPEED PEDESTAL FAN

- 400 mm sweep.
- A stylish fan built with round base.
- Extra powerful motor for higher air delivery specially designed for Indian conditions.
- Jerk free and uniform oscillation.
- Telescopic arrangement for height adjustment.
- Contemporary looks.
- Smart push-button controls for ease of operations.

White Base with Blue Blade

DELTA HIGH SPEED WALL FAN

- 225/ 300/ 400 mm sweep.
- Extra powerful motor for higher air delivery specially designed for Indian conditions.
- Elegantly designed with convenient pull cord for speed control.
- Plastic body for light weight, extra durability.
- Scientifically designed single piece plastic blade.
- Can withstand a range of voltages.

White Base with Blue Blade

* Also available in normal speed.

MAX PUMP - 0.5 HP

- Forged brass impeller.
- Smooth operation even at 180 volts.
- Fitted with thermal overload protector.
- Double Z bearings.
- Powder coated for long life.
- Suction head - 25 feet, total head 100 feet.
- Discharge - 2100 LPH.

LAZER
Simplify Living

POWER STRIP - LPS - 001 (ABS)

- Fuse provided electrolytic brass terminal in socket for better conductivity.
- 2.5 yards, indicator with switch.
- Do not overload beyond 6 Amp.
- Wall mounting provision.
- Available in various type & sizes.
- Voltage 240V, 50 Hz.

4 + 1, 3 Pin Socket

LED LAMP 5W / 7W

- Lazer LED Lamps have an exceedingly high life and lasts upto 20000 burning hours.
- Lazer LED Lamps save upto 85% energy as compared to incandescent Lamps.
- Lazer LED Lamps provide high brightness.

Lamp Type	Lumen Output	Std. Packaging	MRP (₹)
7W LED LAMP 6500K	525 lm	16	695.00

EXOTICA VX / EXOTICA DX

- 150/ 200/ 250 mm sweep
- Rust proof body & matching blades.
- Unique designer ventilation fan with modern design & look for bathroom, small kitchens.
- Self opening louvers which help in protection against birds and direct rain.

White

NEW

HEAVY DUTY EXHAUST

- 375/ 450/ 600 mm sweep.
- Strong high performance energy efficient motor.
- Excellent performance even at low voltage.
- Copper winding for longer life.
- Turbo profile blades for higher air delivery.
- Dynamically balanced impellers for smooth & vibration free operation.
- Pre-lubricated double ball bearing for maintenance free running.

375 MM - 1350 RPM
450 MM - 1350 RPM
600 MM - 1350 RPM

Black

SUPER PUMP - 0.5 HP

- Forged brass impeller.
- S.S. mechanical shaft seal.
- Designed to work even at low voltage.
- Double ball bearings.
- Fitted with thermal overload protector.
- 2880 RPM.
- 100 feet total head, 25 feet suction.
- Discharge - 1800 LPH.
